MOLLOY COLLEGE ART GALLERY

The Molloy College Art Gallery will present the work of Eric Swangstu from February 4 through March 14, 2005.

Mr. Swangstu's paintings are "perceptually based formal meditations" on found objects and portraiture. His energetic canvases demonstrate rigorous training in observational drawing and materials handling, and their thick paint layers, subtle modulations of color and moody apprehension yield thoughtful viewing.

He has exhibited at Exit Art, DC Arts Center and the Aldrich Museum among many others and his work is in the collection of the Library of Congress and the Government Employees Hospital Association.

There will be an opening reception for the artist on Friday February 4th from 4-7 PM. The public is invited to attend.
