Molloy College Hosts St. Martin de Porres Scholarship Dinner Dance

Molloy College will be hosting its annual St. Martin de Porres Dinner Dance on April 9, 2005 at 7:00 pm. in the Anselma Room, Kellenberg Hall, Molloy College. This dinner dance is a fundraiser for scholarships benefiting students of Hispanic or African heritage.

This year, Molloy College will be honoring Jorge Martinez, President of BCM Solutions, and Lutrica (Pat) Edwards, Vice President, Citibank Long Island Community Relations Group. In addition to their professional success, both individuals have worked tirelessly to improve their communities. Mr. Martinez is President of the Long Island Hispanic Chamber of Commerce, the Deputy Chairman of the Village of Freeport Zoning Board and the Vice President for the Freeport Hispanic Association. He is also a coach in the Freeport PAL Sports League and the Freeport Little League. Ms. Edwards is an active member of St. John of God Roman Catholic Church in Central Islip, and an active parent and fundraiser for Our Lady of Providence Regional School. She serves as a member of the Board of Directors for OIC of Suffolk and the United Cerebral Palsy Association of Nassau County's Women's Auxiliary Council. She is also a member of the Board of Directors of Suffolk Community Council, and is an advisor to the Nassau County African American Museum in Hempstead.

"It is my privilege to once again serve as coordinator for this special fundraiser which raises money for scholarships for our Hispanic and African American students," said Sister Dorothy Fitzgibbons, O.P., Vice President for Mission, Molloy College. "We are honoring two very deserving individuals – Jorge Martinez and Pat Edwards – with the St. Martin de Porres award at this dinner. They have done so much for their communities and deserve recognition for their efforts."
